Warranty

Each piece of equipment is to be warranted "bumper to bumper" for a **minimum period of twelve (12) months** from respective dates the equipment is put in operation regardless of mileage or hours. Defective parts found to be free of negligence or accident will be replaced free of charge to the State. Such replacement is to include all parts, labor, freight, and travel to site where equipment is down (statewide locations). If warranty work needs to be performed at an authorized dealer facility the bidder is responsible for providing transportation to and from or reimbursing the State for transportation. There shall be no reduction (prorating) of coverage resulting from age or mileage during the warranty period.

Under same and all conditions as above the power train (engine, transmission, torque converter, final drive, rear axle, etc.) shall be covered for an **additional period of 24 months (36 months total)**. There shall be no reduction (prorating) of coverage resulting from age or mileage during the warranty period.

In addition, any specific provisions in the manufacturer's standard warranty that exceed any of the above requirements become part of the warranty for this contract.
